

Boy Scout Troop 187 winter weather policy is the following.

If Lehighton school district is closed or gets out early on a Thursday for winter weather we will NOT have meeting that night. If inclement weather starts after school is over the Adult leaders will come up with a decision about the meeting .Please do not try and call or text any adult we will contact everyone once we make a decision. We will post on our Facebook page, Troop website, email and a group text.

If there is inclement weather on an event .we will make a decision and contact everyone as quickly as possible. Has much as we enjoy having meetings and going on events we want to make sure everyone is going to be safe.
